

# Checkstyle

**Software Systems – Programming – 2W3**

Dr. Vadim Zaytsev aka @grammarware, November 2020

- Open source (LGPL)
  - <https://github.com/checkstyle/checkstyle>
  - <https://github.com/checkstyle/eclipse-cs>
- Easy to install in Eclipse & IntelliJ
- Somewhat configurable
  - <https://checkstyle.org/checks.html>

# Conclusion

- Use **Checkstyle**
- Teaches the developer some discipline
- More on smells in [L6T4]
- More on writing quality code in [L6T5]

# Topics/Slides Disclaimer

- **Good** ✓

- watch before Q&A
- embrace reality
- try out at labs
- ask for feedback
- apply to project
- dig deeper
- recall from slides

- **Bad** ✗

- slides over videos
- assumptions
- blanks
- timing
